Are any members of your family allergic to pets? If you move, what will you do with your pet(s)? Are you prepared to commit 10-15 years to this animal? Are you prepared to deal with behavior issues such as separation anxiety, digging, chewing, jealousy between animals, etc? Would you be prepared to take the animal to obedience training if necessary? Are you familiar with local ordinances and state laws that regulate the care and welfare of the animal? What will you do with your animals when you go on vacations?
